

Dear Promotion Committee,

I am very pleased to be writing this letter in support of Logan Rath as he requests promotion to the faculty status of Full Librarian. I have had the distinct pleasure of working with Logan for the past eight years, and he is one of the most organized, conscientious, and professional people I know. In the last year, I served as the President of the State University of New York Librarians Association (SUNYLA). Logan is both an active and highly valued member of our organization.

In the years that I have been involved in SUNYLA Logan has taken on many leadership roles within the organization, including having served as President. Logan has been a leader in our efforts to work across SUNY with all libraries on matters of information literacy instruction; he has served as a liaison to many other SUNY and State organizations for SUNYLA, including SUNY Faculty Senate and FACT2. Logan's passion and initiative make him highly sought after when we are looking for someone to move an initiative forward, or to represent the SUNY Libraries. His passion for students and enthusiasm for instruction and libraries are contagious.

For at least the last eight years, Logan has coordinated the registration and payment processes for our annual conference, which sees an attendance of around 200 people each year. He has automated a system that was once done through the mail and very slow, to make it a smooth and simple process that keeps registrants happy. Logan has also created an electronic registration system, and manages it each year for the organization. Logan is highly collaborative, and an excellent communicator. He embodies the qualities that benefit his campus, and SUNY as a whole.

Sincerely,

Carrie Fishner, SUNYLA Past-President
Director, SUNY Delhi Resnick Library
