To the APT Committee for Librarian Faculty

Sept. 5, 2017

Dear APT Committee Members,

I am writing in support of Logan Rath's application for Promotion to Librarian. I served with Logan on the Faculty Roles, Responsibilities, and Rewards Task Force during academic years 2015-17. For the first year we were both task force members, and for the second year I was the chair of the task force. This was a major college-wide service responsibility, and Logan's hard work was obvious and extremely important. From the weekly meetings 2015-16, to the 7:30am weekly meetings all of Fall semester 2016, and the almost 3-hour long weekly writing sessions Spring semester 2017 Logan's contributions were critical to the task force's success.

Logan's expertise with the Qualtrics survey tool was especially valuable to our work. In fact, the 114 page final report could not have been completed without Logan's consistent, high-quality contributions and dedication.

It was indeed a pleasure working with him on this task force, and throughout my years here at the college, there have been many times when I have needed assistance with Library issues and/or questions and Logan has always been there to help.

If you have any questions please do not hesitate to contact me. Logan certainly deserves this promotion.

Sincerely,

Dr. Davida Bloom
