Dear Logan,

I am writing to let you know that you have won the Chancellor's Award. Congrats! Someone from BASC should be contacting you shortly to let you know about the recognition dinner.

Those who have their nominations recommended by the campus committees are typically informed by the President in February. That did not happen this year. I am sorry you have been left hanging.

SUNY will likely be announcing the winners publicly any day now. Please don't share this information with anyone (other than your nominator) until we hear from them.

Best,

Chris
