Dear Mr. Rath,

How are you? I hope all is well.

My name is Mary OConnor and i am one of the many students of Dr. Ashton. I just finished the ICA 1 with 8 attempt, i didn't realize there was a feedback after every attempt until the 5th try. But i must tell you that by after reading the feedbacks and trying again i think i will remember the correct way to do a citation in the future. Having left graduate school to be a teacher in 1999, going back to school where everything is on-line was not something i was looking forward to. I must say your module in APA made the transition interesting and informative and not in a boring way, so thank you.

Hope to meet you one day.

Kind Regards,

Mary OConnor
