Dear Members of the Drake Memorial Library APT committee,

I would like to take this opportunity to highly support Logan Rath's application for promotion. I have known Logan for just over a year. He was a welcoming face when I started in my new position at Drake Memorial Library as a Library Clerk II.

Because I had never previously worked in an academic setting or even in a library, I felt somewhat lost in my first days in my new position. Logan reached out and guided me through various processes specific to an academic library. He is easy to talk to and has made himself available for a quick chat or a more in-depth conversation when I have needed his help. With Logan's help I have become more effective and of greater assistance to students.

Logan is passionate about research and helping students to achieve their desired outcomes. Students seem very at ease with Logan's style of teaching. There are several students who ask specifically for Logan when they are stumped by their research.

Logan has my whole-hearted support in his bid for promotion. I would be happy to provide further information if needed.

Sincerely,

Gloria Gustke
