On Our Faculty Support Guide You Can Find:

- ❖ **Blackboard & ANGEL support:** How to link to library content online.
- ❖ **Course Reserves & Scanning:** Fill out the form and we'll pull and scan the book or journal.
 - You can also bring over a personal copy for us to scan (up to 10% of any item).
 - We run OCR on our scans to ensure compatibility with screen readers.
- ❖ **Journal Alerts:** Stay up to date on your favorite journals.

Popular Resources for Online Classes:

- ❖ **Digital Collections:** eBooks & streaming videos are available via our Digital Collections page.
- ❖ **Article Databases:** Organized by subject through our research guides.
- ❖ **Research Guides:** Available for every major plus we can customize for your content.
- ❖ **Librarian on Demand:** Embed a librarian in your class:

You pick the service, location, and format.

We Can Help Your Class by:

- ❖ Embedding a **library module** (tutorials and/or activities) to help with assignments.
- ❖ Assisting with **links to library content** and other **open educational resources**.
- ❖ Teaching a **synchronous session** on library resources through Blackboard Collaborate.
